**RED = last minute changes**

**Each team must bring 2 (+) officials to each meet**

**Lack of officials only penalizes the quizzers who have worked hard to learn God's Word !**

**Guidelines for entry in the different divisions:**

- Rookies** Kids in K - 2nd grade or first year quizzers. 'Rookies' study only 10 pointers (red cards). Please use discretion - if your quizzers are more mature but within this age bracket, move them up to the next division where they can learn more of God's Word! The goal of this division is to introduce kids to JBQ (memorizing, learning Bible facts, hitting the buzzer, etc.)
- Minors** Open to all ages, but mainly for 2nd - 4th graders. 'Minors' study 10 & 20 pointers (red and blue cards). The goal of this division is to learn an increasing amount of God's Word (increased memorization), while working on quiz skills.
- Majors** Open to all ages, but mainly for 4th - 6th graders. 'Majors' study all cards (red, blue & purple) and are the only type of teams that may advance beyond district level competition. Goal of this division is to learn all JBQ material, perfect quiz skills and advance to higher levels of competition.
